

## T Braun

T Braun is an interdisciplinary artist who creates virtual worlds, drag performances and interactive installations that challenge binary notions of gender.

They are currently based in Tiohtià:ke (Montreal) and are pursuing a Ph.D. in Humanities at Concordia University. Their Ph.D. work explores how queer VR enthusiasts envision the metaverse, create gender-affirming content and form virtual communities. They are currently conducting interviews and co-creating virtual worlds with trans\* artists in the social VR platform VRChat.
