GLITS (Gays & Lesbians Living In A Transgender Society) is an NYC-based grassroots organisation that is dedicated to fighting systemic and economic oppression of the LGBTQIA+ community and sex workers. GLITS creates holistic solutions to the health and housing crises faced by LGBTQIA+ individuals experiencing systemic discrimination at intersecting oppressions impacted by racism and criminalization.

Centring Black Trans leadership, GLITS is committed to building future community leaders and is grounded in a multi-generational approach to growth.
