RA Walden has produced this risoprinted manifesto to accompany their work Notes from the Underlands. You are welcome to take a copy but please consider making a donation in return via the QR code below. RA has chosen the charity and explains their choice below

Mermaids has been supporting transgender, non-binary and gender-diverse children, young people, and their families since 1995. It has evolved into one of the UK's leading LGBTQ+ charities, empowering thousands of people with its secure online communities, local community groups, helpline services, web resources, events and residential weekends.

The charity also seeks to educate and inform wider society on gender identity by helping professionals accommodate and reassure gender-diverse young people.

Please donate to Mermaids UK. Your donation will go directly towards helping thousands of transgender, non-binary and gender-exploring children, young people and their families.
